

2017-2018

STRATEGIC PRIORITIES

Office of Nursing Research

Vision

Serve as a beacon for the advancement of nursing scholarship and inquiry.

Mission

Empower faculty and students to advance nursing science to improve health and wellbeing by setting the standard for innovative collaborative scholarship.

Values

- Excellence/Eminence
- Rigor
- Significance/Impact
- Inclusivity
- Leadership
- Integrity

#1 EMPOWERMENT

ONR strives to increase faculty and student knowledge, skill and application of sponsored research activities through initiatives that empower them to harness their unique & collective talents and promote their research careers.

#2 PARTNERSHIPS

Identifying opportunities for collaboration in the School of Nursing and across Emory's campus can push our research development strategies to new heights.

#3 RESEARCH COMMUNICATIONS

Strategic research communication plays a vital role in developing the school's brand and recognition of its research excellence. Reasons to communicate research value and impact include; faculty recruitment, attracting partners and collaborators, and the scientific community.

#4 METRICS

Establishing ONR metrics that reflect and support the various strategies of the School of Nursing will help drive overall SON performance and inform future decision making.
