MESSAGE FROM DEAN MCCAULEY

It has been an exciting and successful year at the School of Nursing and as alumni and friends you are a big part of the story. Through your time, energy and support, you are helping us transform lives every day in Georgia and around the world. As a proud alumna myself, I know how much it means to reconnect with your beloved alma mater and help make it even stronger for generations to come. I invite you to celebrate the progress that we have made together and the new future unfolding at the School of Nursing during this year's Homecoming festivities. Take a look at some of the exciting things we have planned and be part of the magic that happens when fellow alumni, faculty, students and friends reunite during this fun-filled weekend.

I look forward to seeing you in October.
