Open House
September 2017
Helen Baker
LCC Faculty Member
Lillian Carter Center for Global Health & Social Responsibility (LCC)

- Began in 2001 by former Dean Marla Salmon

- Named for President Carter’s mother, Miss Lillian, a nurse who joined the Peace Corps at age 68, and a long-time champion of nursing
Mission

Improvement of the health of vulnerable people worldwide through nursing education, research, practice, and policy.
LCC’s Role

Coordinates and assists faculty in all global and community engagement activities, which are part of the curriculum or as course alternatives.

Coordinates the school’s international Undergraduate and Graduate student trips, and Moultrie Farm Worker Family Health Program.
LCC Staff and Faculty

- Dr. Martha Rogers: Director of LCC

Salvation Army Street Program - Atlanta, GA

Local Camps
- Grady
- TBA
“Before mass today I was able to sit with a little girl who was blind and autistic. One of the Brothers showed me how to sit with her and calm her by singing. I was truly amazed how he knew each child so well and how he had such love for every person he cared for.”

-Marion Wilhoite BSN
